Wash and care instructions

FLAMLINER-qualities are made of 100% fibre glass and are easy to clean.

Please follow the below mentioned care instructions:

Remove hooks and weights, washable runners may be left in the curtain.

Curtains should be washed at 30° C on a delicate programme.

Machine loading should not exceed 50 %.

Mild detergent free of brightener and bleaching agent should be used.

Spin only at a low speed.

Hang up the fabric in damp condition.

FLAMLINER-fabrics never need any ironing.

Local dirt spots should be dotted thoroughly with soapy water and subsequently rinsed clean.

Do not rub, scrub, wring or boil.

FLAMLINER-fabrics are dyed with pigments. Especially dark colours could loose colour when being processed or washed.

DO NOT DRY-CLEAN
